

BAYOU BUCKS GAME GUIDE

Bayou Bucks is a 9 column/8 line game, with a main screen and a second bonus screen.

- Winning paylines are read left to right for horizontal and diagonal paylines, and top to bottom for vertical paylines
- Additionally, there are 2 pattern pays. A pattern pay is a winning combination in which like symbols appear in either all four corners or in a diamond pattern. Pattern pays award the player 2x the typical line award for the given winning combination of symbols
- Winning symbol combinations and their resulting award values are outlined below:

1 CREDIT		1 CREDIT		1 CREDIT	
	500		50		5
	5		35		10
	2		25		5
	150		15		2
	125		20		
	100		15		
	75		10		
	20		5		

All payline awards are multiplied by single line credit bet.

Bonus Plays

- There are 2 bonus opportunities in this game:
 - Scatter Bonus* – 3 or more  in any position on reels wins scatter bonus. Player is then presented with the option to pick a mosquito symbol to reveal their award.
 - Gumbo Bonus* – 3  symbols on a payline or as a pattern pay enters the Gumbo Bonus screen. It's a special bonus round where a spinner display will reveal an extra award to the player.
